Operating Theatres

Where Advanced Surgery Meets
Expert Care

Our facility features three fully equipped operating theatres, designed to meet the highest standards of safety, efficiency, and patient care. Each theatre is fitted with advanced surgical technology, modern anesthesia systems, and sterile environments to support a wide range of procedures, ensuring optimal outcomes and seamless surgical workflows.

Inpatient Rooms

Comfort That Supports Healing

Our facility offers 7 modern inpatient rooms designed for comfort, privacy, and round-the-clock care, along with 3 comfortable short-stay rooms ideal for observation and day procedures. Each room is thoughtfully equipped to ensure a calm, safe, and healing environment for every patient.

Aesthetic & Plastic Surgery Clinic

Advanced Cosmetic & Reconstructive Surgery

At our Plastic & Reconstructive Surgery Clinic, we combine advanced medical expertise with artistic precision to offer a full spectrum of aesthetic and reconstructive services. From transformative surgical procedures such as rhinoplasty, facelifts, breast surgery, and post-trauma reconstruction. To *non-surgical treatments like Botox, fillers, skin boosters, and other injectables, we tailor every approach to your unique needs and goals.

Whether you're seeking to restore, refine, or rejuvenate, our team is committed to delivering natural-looking results with the highest standards of safety, care, and professionalism. Your confidence is our purpose.

Our services include:

- Abdominoplasty
- Arm lift
- Rhinoplasty
- Gynecomastia
- Advanced non-surgical treatments
- Non-surgical anti-aging & beautification
- Botox/Fillers/Skin boosters
- Facial aesthetic surgery
- Eye lifting
- Face lifting
- Jawline liposuction
- Intimate area rejuvenation
- Otoplasty
- Breast surgeries
- Liposuction

BOND– Advanced Bone & Neurosurgery Clinic

BOND Clinic is your premier destination for cutting-edge orthopedic, spine, and neurosurgical care in Doha. Our expert team combines advanced technology with personalized treatment plans to restore mobility, relieve pain, and improve quality of life.

We offer comprehensive services including preventive care, rehabilitation programs, chronic pain management, and holistic solutions for bones, joints, and nerves. Whether you need surgical or non-surgical interventions, our patient-centered approach ensures safe, effective, and tailored care.
